To whom it may concern

Dear Sir,

**SPONSORSHIP OPPORTUNITY FOR THE 15<sup>TH</sup> IEEE MALAYSIA INTERNATIONAL CONFERENCE ON COMMUNICATIONS 2021 (MICC2021)**

Following the above matter, **The IEEE Communication Society /Vehicular Technologies Society Joint Chapter**, are going to organize **The 15<sup>th</sup> IEEE Malaysia International Conference on Communications 2021 (MICC2021)** (ID #53484 – registered ID from IEEE) from **1 - 2 December 2021** which will be held through a virtual platform. This year's theme is **“Emerging Technologies in IoT and 5G”**. You may refer to <https://micc2021.mycomvt.info> for further information. This conference aims to continue offering a platform for discussion and networking amongst telecommunication researchers, academicians, and industry partners, especially amidst the Covid-19 pandemic crisis. Researchers and industry specialists will be able to present discoveries, discuss current issues critically and share viewpoints that might stimulate mutual interest. It also acts as a conduit to transition of research and development output to applications that meet both the requirements of the industry and the expectations of users.

Therefore, we would like to offer the opportunity to publicize your company through the event. You may support our conference through contribution by cash or in-kind donations from your organization. Your organization will be eligible for several benefits as a sponsorship donor, as detailed in the sponsorship package included to this letter.

Besides sponsorship contribution, we also would like to invite representatives from your organization to attend our conference. The knowledge exchanges and networking opportunities provided by the event would be greatly beneficial to your organization as well as to the successfulness of our conference.

We are looking forward to your positive response. Your cooperation and thoughtfulness are much appreciated. Please do not hesitate to contact us at [zatul0130@uitm.edu.my](mailto:zatul0130@uitm.edu.my) (attention: Zatul Iffah Abd Latiff) should you have any enquiries regarding this matter.
